

## PROPOSED AMENDMENT: FAIR SENTENCING ACT

**Synopsis of Proposed Amendment:** *This multi-part proposed amendment continues the Commission's work on the Fair Sentencing Act of 2010, Pub. L. 111-220 (the "Act").*

*In October 2010, to implement the emergency directive in section 8 of the Act, the Commission promulgated emergency, temporary revisions to §2D1.1 (Unlawful Manufacturing, Importing, Exporting, or Trafficking (Including Possession with Intent to Commit These Offenses); Attempt or Conspiracy) and §2D2.1 (Unlawful Possession; Attempt or Conspiracy). Conforming changes to certain other guidelines were also promulgated on an emergency, temporary basis. See USSG App. C, Amendment 748 (effective November 1, 2010). The proposed amendment re-promulgates the emergency, temporary revisions.*

### Changes to the Drug Quantity Table for Offenses Involving Crack Cocaine

*Part A re-promulgates without change the emergency, temporary revisions to the Drug Quantity Table for offenses involving cocaine base ("crack" cocaine), and the related revisions to Application Note 10 to §2D1.1. This responds to section 2 of the Act, which reduced the statutory penalties for offenses involving manufacturing or trafficking in crack cocaine by increasing the quantity thresholds required to trigger a mandatory minimum term of imprisonment. The quantity threshold required to trigger the 5-year mandatory minimum term of imprisonment was increased from 5 grams to 28 grams, and the quantity threshold required to trigger the 10-year mandatory minimum term of imprisonment was increased from 50 grams to 280 grams. See 21 U.S.C. §§ 841(b)(1)(A), (B), (C), 960(b)(1), (2), (3).*

*To account for these statutory changes, the proposed amendment conforms the guideline penalty structure for crack cocaine offenses to the approach followed for other drugs, i.e., the base offense levels for crack cocaine are set in the Drug Quantity Table so that the statutory minimum penalties correspond to levels 26 and 32. See generally §2D1.1, comment. (backg'd.). Accordingly, using the new drug quantities established by the Act, offenses involving 28 grams or more of crack cocaine are assigned a base offense level of 26, offenses involving 280 grams or more of crack cocaine are assigned a base offense level of 32, and other offense levels are established by extrapolating upward and downward. Conforming to this approach ensures that the relationship between the statutory penalties for crack cocaine offenses and the statutory penalties for offenses involving other drugs is consistently and proportionally reflected throughout the Drug Quantity Table.*

*To provide a means of obtaining a single offense level in cases involving crack cocaine and one or more other controlled substances, the proposed amendment also establishes a marijuana equivalency for crack cocaine under which 1 gram of crack cocaine is equivalent to 3,571 grams of marijuana. (The marijuana equivalency for any controlled substance is a constant that can be calculated using any threshold in the Drug Quantity Table by dividing the amount of marijuana corresponding to that threshold by the amount of the other controlled substance corresponding to that threshold. For example, the threshold quantities at base offense level 26 are 100,000 grams of marijuana and 28 grams of crack cocaine; 100,000 grams divided by 28 is 3,571 grams.) In the commentary to §2D1.1, the proposed amendment makes a conforming change to the rules for cases involving both crack cocaine and one or more other controlled substances. The proposed amendment deletes the special rules in Note 10(D) for cases involving crack cocaine and one or more other controlled substances, and revises Note 10(C) so that it provides an example of such a case.*

Aggravating and Mitigating Factors in Drug Trafficking Cases

Part B re-promulgates the emergency, temporary revisions to §2D1.1 and accompanying commentary that account for certain aggravating and mitigating factors in drug trafficking cases. These changes implement directives to the Commission in sections 5, 6, and 7 of the Act. The emergency revisions are re-promulgated without change, except for the new Application Note 28 (relating to the new enhancement for maintaining a premises), as explained below.

First, Part B amends §2D1.1 to add a sentence at the end of subsection (a)(5) (often referred to as the "mitigating role cap"). The new provision provides that if the offense level otherwise resulting from subsection (a)(5) is greater than level 32, and the defendant receives the 4-level ("minimal participant") reduction in subsection (a) of §3B1.2 (Mitigating Role), the base offense level shall be decreased to level 32. This provision responds to section 7(1) of the Act, which directed the Commission to ensure that "if the defendant is subject to a minimal role adjustment under the guidelines, the base offense level for the defendant based solely on drug quantity shall not exceed level 32".

Second, Part B amends §2D1.1 to create a new specific offense characteristic at subsection (b)(2) providing an enhancement of 2 levels if the defendant used violence, made a credible threat to use violence, or directed the use of violence. The new specific offense characteristic responds to section 5 of the Act, which directed the Commission to "ensure that the guidelines provide an additional penalty increase of at least 2 offense levels if the defendant used violence, made a credible threat to use violence, or directed the use of violence during a drug trafficking offense."

The proposed amendment also revises the commentary to §2D1.1 to clarify how this new specific offense characteristic interacts with subsection (b)(1). Specifically, Application Note 3 is amended to provide that the enhancements in subsections (b)(1) (regarding possession of a dangerous weapon) and (b)(2) may be applied cumulatively. However, in a case in which the defendant merely possessed a dangerous weapon but did not use violence, make a credible threat to use violence, or direct the use of violence, subsection (b)(2) would not apply.

In addition, the proposed amendment makes a conforming change to the commentary to §2K2.4 (Use of Firearm, Armor-Piercing Ammunition, or Explosive During or in Relation to Certain Crimes) to address cases in which the defendant is sentenced under both §2D1.1 (for a drug trafficking offense) and §2K2.4 (for an offense under 18 U.S.C. § 924(e)). In such a case, the sentence under §2K2.4 accounts for any weapon enhancement; therefore, in determining the sentence under §2D1.1, the weapon enhancement in §2D1.1(b)(1) does not apply. See §2K2.4, comment. (n. 4). The proposed amendment amends this commentary to similarly provide that, in a case in which the defendant is sentenced under both §§2D1.1 and 2K2.4, the new enhancement at §2D1.1(b)(2) also is accounted for by §2K2.4 and, therefore, does not apply.

Third, Part B amends §2D1.1 to create a new specific offense characteristic at subsection (b)(11) providing an enhancement of 2 levels if the defendant bribed, or attempted to bribe, a law enforcement officer to facilitate the commission of the offense. The new specific offense characteristic responds to section 6(1) of the Act, which directed the Commission "to ensure an additional increase of at least 2 offense levels if . . . the defendant bribed, or attempted to bribe, a Federal, State, or local law enforcement official in connection with a drug trafficking offense".

The proposed amendment also revises the commentary to §2D1.1 to clarify how this new specific offense characteristic interacts with the adjustment at §3C1.1 (Obstructing or Impeding the Administration of Justice). Specifically, new Application Note 27 provides that subsection (b)(11) does not apply if the purpose of the bribery was to obstruct or impede the investigation, prosecution, or sentencing of the defendant because such conduct is covered by §3C1.1.

Fourth, Part B amends §2D1.1 to create a new specific offense characteristic at subsection (b)(12) providing an enhancement of 2 levels if the defendant maintained a premises for the purpose of manufacturing or distributing a controlled substance. The new specific offense characteristic responds to section 6(2) of the Act, which directed the Commission to "ensure an additional increase of at least 2 offense levels if . . . the defendant maintained an establishment for the manufacture or distribution of a controlled substance, as generally described in section 416 of the Controlled Substances Act (21 U.S.C. 856)".

The proposed amendment also adds commentary in §2D1.1 at Application Note 28 providing that the enhancement applies to a defendant who knowingly maintains a premises (i.e., a building, room, or enclosure) for the purpose of maintaining or distributing a controlled substance, including storage of a controlled substance for the purpose of distribution.

Application Note 28 also provides that among the factors the court should consider in determining whether the defendant "maintained" the premises are (A) whether the defendant held a possessory interest (e.g., owned or rented) the premises and (B) the extent to which the defendant controlled access to, or activities at, the premises. Application Note 28 also provides that manufacturing or distributing a controlled substance need not be the sole purpose for which the premises was maintained, but must be one of the defendant's primary or principal uses for the premises, rather than one of the defendant's incidental or collateral uses of the premises. In making this determination, the court should consider how frequently the premises was used by the defendant for manufacturing or distributing a controlled substance and how frequently the premises was used by the defendant for lawful purposes.

Fifth, Part B amends §2D1.1 to create a new specific offense characteristic at subsection (b)(14) that provides an enhancement of 2 levels if the defendant receives an adjustment under §3B1.1 (Aggravating Role) and the offense involved one or more of five specified factors. The new specific offense characteristic responds to section 6(3) of the Act, which directed the Commission "to ensure an additional increase of at least 2 offense levels if . . . (A) the defendant is an organizer, leader, manager, or supervisor of drug trafficking activity subject to an aggravating role enhancement under the guidelines; and (B) the offense involved 1 or more of the following super-aggravating factors:

- (i) The defendant--
  - (I) used another person to purchase, sell, transport, or store controlled substances;
  - (II) used impulse, fear, friendship, affection, or some combination thereof to involve such person in the offense; and
  - (III) such person had a minimum knowledge of the illegal enterprise and was to receive little or no compensation from the illegal transaction.
  
- (ii) The defendant--
  - (I) knowingly distributed a controlled substance to a person under the age

- (II) *of 18 years, a person over the age of 64 years, or a pregnant individual; knowingly involved a person under the age of 18 years, a person over the age of 64 years, or a pregnant individual in drug trafficking;*
  - (III) *knowingly distributed a controlled substance to an individual who was unusually vulnerable due to physical or mental condition, or who was particularly susceptible to criminal conduct; or*
  - (IV) *knowingly involved an individual who was unusually vulnerable due to physical or mental condition, or who was particularly susceptible to criminal conduct, in the offense.*
- (iii) *The defendant was involved in the importation into the United States of a controlled substance.*
- (iv) *The defendant engaged in witness intimidation, tampered with or destroyed evidence, or otherwise obstructed justice in connection with the investigation or prosecution of the offense.*
- (v) *The defendant committed the drug trafficking offense as part of a pattern of criminal conduct engaged in as a livelihood."*

*The proposed amendment also revises the commentary to §2D1.1 to provide guidance in applying the new specific offense characteristic at §2D1.1(b)(14). Specifically, new Application Note 29 provides that if the defendant distributes a controlled substance to an individual or involves an individual in the offense, as specified in subsection (b)(14)(B), the individual is not a "vulnerable victim" for purposes of subsection (b) of §3A1.1 (Hate Crime Motivation or Vulnerable Victim). Application Note 29 also provides that subsection (b)(14)(C) applies if the defendant committed, aided, abetted, counseled, commanded, induced, procured, or willfully caused the importation of a controlled substance. Subsection (b)(14)(C), however, does not apply if subsection (b)(3) or (b)(5) (as redesignated by the proposed amendment) applies because the defendant's involvement in importation is adequately accounted for by those subsections. In addition, Application Note 29 defines "pattern of criminal conduct" and "engaged in as a livelihood" for purposes of subsection (b)(14)(E) as those terms are defined in §4B1.3 (Criminal Livelihood).*

*The proposed amendment also revises the commentary in §3B1.4 (Using a Minor To Commit a Crime) and §3C1.1 (Obstructing or Impeding the Administration of Justice) to specify how those adjustments interact with §2D1.1(b)(14)(B) and (D), respectively. Specifically, Application Note 2 to §3B1.4 is amended to clarify that the increase of two levels under this section would not apply if the defendant receives an enhancement under §2D1.1(b)(14)(B). Similarly, Application Note 7 to §3C1.1 is amended to clarify that the increase of two levels under this section would not apply if the defendant receives an enhancement under §2D1.1(b)(14)(D).*

*Sixth, Part B amends §2D1.1 to create a new specific offense characteristic providing a 2-level downward adjustment if the defendant receives the 4-level ("minimal participant") reduction in subsection (a) of §3B1.2 (Mitigating Role) and the offense involved each of three additional specified factors: namely, the defendant was motivated by an intimate or familial relationship or by threats or fear to commit the offense when the defendant was otherwise unlikely to commit such an offense; was to receive no monetary compensation from the illegal purchase, sale, transport, or storage of controlled*

substances; and had minimal knowledge of the scope and structure of the enterprise. The specific offense characteristic responds to section 7(2) of the Act, which directed the Commission to ensure that "there is an additional reduction of 2 offense levels if the defendant—

- (A) otherwise qualifies for a minimal role adjustment under the guidelines and had a minimum knowledge of the illegal enterprise;
- (B) was to receive no monetary compensation from the illegal transaction; and
- (C) was motivated by an intimate or familial relationship or by threats or fear when the defendant was otherwise unlikely to commit such an offense."

Seventh, to reflect the renumbering of specific offense characteristics in §2D1.1(b) by the proposed amendment, technical and conforming changes are made to the commentary to §2D1.1 and to §2D1.14 (Narco-Terrorism).

#### Simple Possession of Crack Cocaine

Part C re-promulgates without change the emergency, temporary revisions to §2D2.1 to account for the changes in the statutory penalties for simple possession of crack cocaine made in section 3 of the Act. Section 3 of the Act amended 21 U.S.C. § 844(a) to eliminate the 5-year mandatory minimum term of imprisonment (and 20-year statutory maximum) for simple possession of more than 5 grams of crack cocaine (or, for certain repeat offenders, more than 1 gram of crack cocaine). Accordingly, the statutory penalty for simple possession of crack cocaine is now the same as for simple possession of most other controlled substances: for a first offender, a maximum term of imprisonment of one year; for repeat offenders, maximum terms of 2 years or 3 years, and minimum terms of 15 days or 90 days, depending on the prior convictions. *See* 21 U.S.C. § 844(a). To account for this statutory change, the proposed amendment deletes the cross reference at §2D2.1(b)(1) under which an offender who possessed more than 5 grams of crack cocaine was sentenced under the drug trafficking guideline, §2D1.1.

\*Notes to Drug Quantity Table:

- (A) Unless otherwise specified, the weight of a controlled substance set forth in the table refers to the entire weight of any mixture or substance containing a detectable amount of the controlled

substance. If a mixture or substance contains more than one controlled substance, the weight of the entire mixture or substance is assigned to the controlled substance that results in the greater offense level.

- (B) The terms "PCP (actual)", "Amphetamine (actual)", and "Methamphetamine (actual)" refer to the weight of the controlled substance, itself, contained in the mixture or substance. For example, a mixture weighing 10 grams containing PCP at 50% purity contains 5 grams of PCP (actual). In the case of a mixture or substance containing PCP, amphetamine, or methamphetamine, use the offense level determined by the entire weight of the mixture or substance, or the offense level determined by the weight of the PCP (actual), amphetamine (actual), or methamphetamine (actual), whichever is greater.

The term "Oxycodone (actual)" refers to the weight of the controlled substance, itself, contained in the pill, capsule, or mixture.

- (C) "Ice," for the purposes of this guideline, means a mixture or substance containing d-methamphetamine hydrochloride of at least 80% purity.
- (D) "Cocaine base," for the purposes of this guideline, means "crack." "Crack" is the street name for a form of cocaine base, usually prepared by processing cocaine hydrochloride and sodium bicarbonate, and usually appearing in a lumpy, rocklike form.
- (E) In the case of an offense involving marijuana plants, treat each plant, regardless of sex, as equivalent to 100 G of marijuana. *Provided*, however, that if the actual weight of the marijuana is greater, use the actual weight of the marijuana.
- (F) In the case of Schedule I or II Depressants (except gamma-hydroxybutyric acid), Schedule III substances, Schedule IV substances, and Schedule V substances, one "unit" means one pill, capsule, or tablet. If the substance (except gamma-hydroxybutyric acid) is in liquid form, one "unit" means 0.5 ml. For an anabolic steroid that is not in a pill, capsule, tablet, or liquid form (e.g., patch, topical cream, aerosol), the court shall determine the base offense level using a reasonable estimate of the quantity of anabolic steroid involved in the offense. In making a reasonable estimate, the court shall consider that each 25 mg of an anabolic steroid is one "unit".
- (G) In the case of LSD on a carrier medium (e.g., a sheet of blotter paper), do not use the weight of the LSD/carrier medium. Instead, treat each dose of LSD on the carrier medium as equal to 0.4 mg of LSD for the purposes of the Drug Quantity Table.
- (H) Hashish, for the purposes of this guideline, means a resinous substance of cannabis that includes (i) one or more of the tetrahydrocannabinols (as listed in 21 C.F.R. § 1308.11(d)(30)), (ii) at least two of the following: cannabidiol, or cannabichromene, and (iii) fragments of plant material (such as cystolith fibers).
- (I) Hashish oil, for the purposes of this guideline, means a preparation of the soluble cannabinoids derived from cannabis that includes (i) one or more of the tetrahydrocannabinols (as listed in 21 C.F.R. § 1308.11(d)(30)), (ii) at least two of the following: cannabidiol, or cannabichromene, and (iii) is essentially free of plant material (e.g., plant fragments). Typically, hashish oil is a viscous, dark colored oil, but it can vary from a dry resin to a colorless liquid.

Application Notes:

\* \* \*

10. Use of Drug Equivalency Tables.—

(A) Controlled Substances Not Referenced in Drug Quantity Table.—The Commission has used the sentences provided in, and equivalences derived from, the statute (21 U.S.C. § 841(b)(1)), as the primary basis for the guideline sentences. The statute, however, provides direction only for the more common controlled substances, *i.e.*, heroin, cocaine, PCP, methamphetamine, fentanyl, LSD and marihuana. In the case of a controlled substance that is not specifically referenced in the Drug Quantity Table, determine the base offense level as follows:

- (i) Use the Drug Equivalency Tables to convert the quantity of the controlled substance involved in the offense to its equivalent quantity of marihuana.
- (ii) Find the equivalent quantity of marihuana in the Drug Quantity Table.
- (iii) Use the offense level that corresponds to the equivalent quantity of marihuana as the base offense level for the controlled substance involved in the offense.

(See also Application Note 5.) For example, in the Drug Equivalency Tables set forth in this Note, 1 gm of a substance containing oxymorphone, a Schedule I opiate, converts to an equivalent quantity of 5 kg of marihuana. In a case involving 100 gm of oxymorphone, the equivalent quantity of marihuana would be 500 kg, which corresponds to a base offense level of 28 in the Drug Quantity Table.

(B) Combining Differing Controlled Substances (Except Cocaine Base).—The Drug Equivalency Tables also provide a means for combining differing controlled substances to obtain a single offense level. In each case, convert each of the drugs to its marihuana equivalent, add the quantities, and look up the total in the Drug Quantity Table to obtain the combined offense level. To determine a single offense level in a case involving cocaine base and other controlled substances, see subdivision (D) of this note.

For certain types of controlled substances, the marihuana equivalencies in the Drug Equivalency Tables are "capped" at specified amounts (*e.g.*, the combined equivalent weight of all Schedule V controlled substances shall not exceed 999 grams of marihuana). Where there are controlled substances from more than one schedule (*e.g.*, a quantity of a Schedule IV substance and a quantity of a Schedule V substance), determine the marihuana equivalency for each schedule separately (subject to the cap, if any, applicable to that schedule). Then add the marihuana equivalencies to determine the combined marihuana equivalency (subject to the cap, if any, applicable to the combined amounts).

*Note: Because of the statutory equivalences, the ratios in the Drug Equivalency Tables do not necessarily reflect dosages based on pharmacological equivalents.*

(C) Examples for Combining Differing Controlled Substances (Except Cocaine Base).—

- (i) *The defendant is convicted of selling 70 grams of a substance containing PCP (Level 22) and 250 milligrams of a substance containing LSD (Level 18). The PCP converts to 70 kilograms of marihuana; the LSD converts to 25 kilograms of marihuana. The total is therefore equivalent to 95 kilograms of marihuana, for which the Drug Quantity Table provides an offense level of 24.*
- (ii) *The defendant is convicted of selling 500 grams of marihuana (Level 8) and five kilograms of diazepam (Level 8). The diazepam, a Schedule IV drug, is equivalent to 625 grams of marihuana. The total, 1.125 kilograms of marihuana, has an offense level of 10 in the Drug Quantity Table.*
- (iii) *The defendant is convicted of selling 80 grams of cocaine (Level 16) and five kilograms of marihuana 2 grams of cocaine base (Level 14). The cocaine is equivalent to 16 kilograms of marihuana, and the cocaine base is equivalent to 7.142 kilograms of marihuana. The total is therefore equivalent to 23.142 kilograms of marihuana, which has an offense level of 18 in the Drug Quantity Table.*
- (iv) *The defendant is convicted of selling 56,000 units of a Schedule III substance, 100,000 units of a Schedule IV substance, and 200,000 units of a Schedule V substance. The marihuana equivalency for the Schedule III substance is 56 kilograms of marihuana (below the cap of 59.99 kilograms of marihuana set forth as the maximum equivalent weight for Schedule III substances). The marihuana equivalency for the Schedule IV substance is subject to a cap of 4.99 kilograms of marihuana set forth as the maximum equivalent weight for Schedule IV substances (without the cap it would have been 6.25 kilograms). The marihuana equivalency for the Schedule V substance is subject to the cap of 999 grams of marihuana set forth as the maximum equivalent weight for Schedule V substances (without the cap it would have been 1.25 kilograms). The combined equivalent weight, determined by adding together the above amounts, is subject to the cap of 59.99 kilograms of marihuana set forth as the maximum combined equivalent weight for Schedule III, IV, and V substances. Without the cap, the combined equivalent weight would have been 61.99 (56 + 4.99 + .999) kilograms.*

(D) Determining Base Offense Level in Offenses Involving Cocaine Base and Other Controlled Substances.—

- (i) *In General.—Except as provided in subdivision (ii), if the offense involves cocaine base ("crack") and one or more other controlled substance, determine the combined offense level as provided by subdivision (B) of this note, and reduce the combined offense level by 2 levels.*
- (ii) Exceptions to 2-level Reduction.—*The 2-level reduction provided in subdivision*

~~(i) shall not apply in a case in which:~~

~~(I) the offense involved 4.5 kg or more, or less than 250 mg, of cocaine base, or~~

~~(II) the 2-level reduction results in a combined offense level that is less than the combined offense level that would apply under subdivision (B) of this note if the offense involved only the other controlled substance(s) (i.e., the controlled substance(s) other than cocaine base).~~

~~(iii) Examples—~~

~~(I) The case involves 20 gm of cocaine base, 1.5 kg of cocaine, and 10 kg of marihuana. Under the Drug Equivalency Tables in subdivision (E) of this note, 20 gm of cocaine base converts to 400 kg of marihuana (20 gm x 20 kg = 400 kg), and 1.5 kg of cocaine converts to 300 kg of marihuana (1.5 kg x 200 gm = 300 kg), which, when added to the 10 kg of marihuana results in a combined equivalent quantity of 710 kg of marihuana. Under the Drug Quantity Table, 710 kg of marihuana corresponds to a combined offense level of 30, which is reduced by two levels to level 28. For the cocaine and marihuana, their combined equivalent quantity of 310 kg of marihuana corresponds to a combined offense level of 26 under the Drug Quantity Table. Because the combined offense level for all three drug types after the 2-level reduction is not less than the combined base offense level for the cocaine and marihuana, the combined offense level for all three drug types remains level 28.~~

~~(II) The case involves 5 gm of cocaine base and 6 kg of heroin. Under the Drug Equivalency Tables in subdivision (E) of this note, 5 gm of cocaine base converts to 100 kg of marihuana (5 gm x 20 kg = 100 kg), and 6 kg of heroin converts to 6,000 kg of marihuana (6,000 gm x 1 kg = 6,000 kg), which, when added together results in a combined equivalent quantity of 6,100 kg of marihuana. Under the Drug Quantity Table, 6,100 kg of marihuana corresponds to a combined offense level of 34, which is reduced by two levels to 32. For the heroin, the 6,000 kg of marihuana corresponds to an offense level 34 under the Drug Quantity Table. Because the combined offense level for the two drug types after the 2-level reduction is less than the offense level for the heroin, the reduction does not apply and the combined offense level for the two drugs remains level 34.~~

**(B) Aggravating and Mitigating Factors in Drug Trafficking Cases**

**§2D1.1. Unlawful Manufacturing, Importing, Exporting, or Trafficking (Including Possession with Intent to Commit These Offenses): Attempt or Conspiracy**

(a) Base Offense Level (Apply the greatest):

- (1) **43**, if the defendant is convicted under 21 U.S.C. § 841(b)(1)(A), (b)(1)(B), or (b)(1)(C), or 21 U.S.C. § 960(b)(1), (b)(2), or (b)(3), and the offense of conviction establishes that death or serious bodily injury resulted from the use of the substance and that the defendant committed the offense after one or more prior convictions for a similar offense; or
- (2) **38**, if the defendant is convicted under 21 U.S.C. § 841(b)(1)(A), (b)(1)(B), or (b)(1)(C), or 21 U.S.C. § 960(b)(1), (b)(2), or (b)(3), and the offense of conviction establishes that death or serious bodily injury resulted from the use of the substance; or
- (3) **30**, if the defendant is convicted under 21 U.S.C. § 841(b)(1)(E) or 21 U.S.C. § 960(b)(5), and the offense of conviction establishes that death or serious bodily injury resulted from the use of the substance and that the defendant committed the offense after one or more prior convictions for a similar offense; or
- (4) **26**, if the defendant is convicted under 21 U.S.C. § 841(b)(1)(E) or 21 U.S.C. § 960(b)(5), and the offense of conviction establishes that death or serious bodily injury resulted from the use of the substance; or
- (5) the offense level specified in the Drug Quantity Table set forth in subsection (c), except that if (A) the defendant receives an adjustment under §3B1.2 (Mitigating Role); and (B) the base offense level under subsection (c) is (i) level **32**, decrease by **2** levels; (ii) level **34** or level **36**, decrease by **3** levels; or (iii) level **38**, decrease by **4** levels. If the resulting offense level is greater than level **32** and the defendant receives the 4-level ("minimal participant") reduction in §3B1.2(a), decrease to level **32**.

(b) Specific Offense Characteristics

- (1) If a dangerous weapon (including a firearm) was possessed, increase by **2** levels.
- (2) If the defendant used violence, made a credible threat to use violence, or directed the use of violence, increase by **2** levels.
- (23) If the defendant unlawfully imported or exported a controlled substance under circumstances in which (A) an aircraft other than a regularly

scheduled commercial air carrier was used to import or export the controlled substance, (B) a submersible vessel or semi-submersible vessel as described in 18 U.S.C. § 2285 was used, or (C) the defendant acted as a pilot, copilot, captain, navigator, flight officer, or any other operation officer aboard any craft or vessel carrying a controlled substance, increase by 2 levels. If the resulting offense level is less than level 26, increase to level 26.

- (34) If the object of the offense was the distribution of a controlled substance in a prison, correctional facility, or detention facility, increase by 2 levels.
- (45) If (A) the offense involved the importation of amphetamine or methamphetamine or the manufacture of amphetamine or methamphetamine from listed chemicals that the defendant knew were imported unlawfully, and (B) the defendant is not subject to an adjustment under §3B1.2 (Mitigating Role), increase by 2 levels.
- (56) If the defendant is convicted under 21 U.S.C. § 865, increase by 2 levels.
- (67) If the defendant, or a person for whose conduct the defendant is accountable under §1B1.3 (Relevant Conduct), distributed a controlled substance through mass-marketing by means of an interactive computer service, increase by 2 levels.
- (78) If the offense involved the distribution of an anabolic steroid and a masking agent, increase by 2 levels.
- (89) If the defendant distributed an anabolic steroid to an athlete, increase by 2 levels.
- (910) If the defendant was convicted under 21 U.S.C. § 841(g)(1)(A), increase by 2 levels.
- (11) If the defendant bribed, or attempted to bribe, a law enforcement officer to facilitate the commission of the offense, increase by 2 levels.
- (12) If the defendant maintained a premises for the purpose of manufacturing or distributing a controlled substance, increase by 2 levels.
- (+13) (Apply the greatest):
  - (A) If the offense involved (i) an unlawful discharge, emission, or release into the environment of a hazardous or toxic substance; or (ii) the unlawful transportation, treatment, storage, or disposal of a hazardous waste, increase by 2 levels.

(B) If the defendant was convicted under 21 U.S.C. § 860a of distributing, or possessing with intent to distribute, methamphetamine on premises where a minor is present or resides, increase by 2 levels. If the resulting offense level is less than level 14, increase to level 14.

(C) If—

(i) the defendant was convicted under 21 U.S.C. § 860a of manufacturing, or possessing with intent to manufacture, methamphetamine on premises where a minor is present or resides; or

(ii) the offense involved the manufacture of amphetamine or methamphetamine and the offense created a substantial risk of harm to (I) human life other than a life described in subdivision (D); or (II) the environment,

increase by 3 levels. If the resulting offense level is less than level 27, increase to level 27.

(D) If the offense (i) involved the manufacture of amphetamine or methamphetamine; and (ii) created a substantial risk of harm to the life of a minor or an incompetent, increase by 6 levels. If the resulting offense level is less than level 30, increase to level 30.

(14) If the defendant receives an adjustment under §3B1.1 (Aggravating Role) and the offense involved 1 or more of the following factors:

(A) (i) the defendant used fear, impulse, friendship, affection, or some combination thereof to involve another individual in the illegal purchase, sale, transport, or storage of controlled substances, (ii) the individual received little or no compensation from the illegal purchase, sale, transport, or storage of controlled substances, and (iii) the individual had minimal knowledge of the scope and structure of the enterprise;

(B) the defendant, knowing that an individual was (i) less than 18 years of age, (ii) 65 or more years of age, (iii) pregnant, or (iv) unusually vulnerable due to physical or mental condition or otherwise particularly susceptible to the criminal conduct, distributed a controlled substance to that individual or involved that individual in the offense;

(C) the defendant was directly involved in the importation of a controlled substance;

- (D) the defendant engaged in witness intimidation, tampered with or destroyed evidence, or otherwise obstructed justice in connection with the investigation or prosecution of the offense;
- (E) the defendant committed the offense as part of a pattern of criminal conduct engaged in as a livelihood,

increase by 2 levels.

(15) If the defendant receives the 4-level ("minimal participant") reduction in §3B1.2(a) and the offense involved all of the following factors:

- (A) the defendant was motivated by an intimate or familial relationship or by threats or fear to commit the offense and was otherwise unlikely to commit such an offense;
- (B) the defendant received no monetary compensation from the illegal purchase, sale, transport, or storage of controlled substances; and
- (C) the defendant had minimal knowledge of the scope and structure of the enterprise;

decrease by 2 levels.

(+16) If the defendant meets the criteria set forth in subdivisions (1)-(5) of subsection (a) of §5C1.2 (Limitation on Applicability of Statutory Minimum Sentences in Certain Cases), decrease by 2 levels.

[Subsection (c) (Drug Quantity Table) was set forth in Part A, above.]

(d) Cross References

- (1) If a victim was killed under circumstances that would constitute murder under 18 U.S.C. § 1111 had such killing taken place within the territorial or maritime jurisdiction of the United States, apply §2A1.1 (First Degree Murder) or §2A1.2 (Second Degree Murder), as appropriate, if the resulting offense level is greater than that determined under this guideline.
- (2) If the defendant was convicted under 21 U.S.C. § 841(b)(7) (of distributing a controlled substance with intent to commit a crime of violence), apply §2X1.1 (Attempt, Solicitation, or Conspiracy) in respect to the crime of violence that the defendant committed, or attempted or intended to commit, if the resulting offense level is greater than that determined above.

(e) Special Instruction

- (1) If (A) subsection (d)(2) does not apply; and (B) the defendant committed, or attempted to commit, a sexual offense against another individual by distributing, with or without that individual's knowledge, a controlled substance to that individual, an adjustment under §3A1.1(b)(1) shall apply.

Commentary

Statutory Provisions: 21 U.S.C. §§ 841(a), (b)(1)-(3), (7), (g), 860a, 865, 960(a), (b); 49 U.S.C. § 46317(b). For additional statutory provision(s), see Appendix A (Statutory Index).

Application Notes:

1. "Mixture or substance" as used in this guideline has the same meaning as in 21 U.S.C. § 841, except as expressly provided. Mixture or substance does not include materials that must be separated from the controlled substance before the controlled substance can be used. Examples of such materials include the fiberglass in a cocaine/fiberglass bonded suitcase, beeswax in a cocaine/beeswax statue, and waste water from an illicit laboratory used to manufacture a controlled substance. If such material cannot readily be separated from the mixture or substance that appropriately is counted in the Drug Quantity Table, the court may use any reasonable method to approximate the weight of the mixture or substance to be counted.

An upward departure nonetheless may be warranted when the mixture or substance counted in the Drug Quantity Table is combined with other, non-countable material in an unusually sophisticated manner in order to avoid detection.

Similarly, in the case of marihuana having a moisture content that renders the marihuana unsuitable for consumption without drying (this might occur, for example, with a bale of rain-soaked marihuana or freshly harvested marihuana that had not been dried), an approximation of the weight of the marihuana without such excess moisture content is to be used.

2. The statute and guideline also apply to "counterfeit" substances, which are defined in 21 U.S.C. § 802 to mean controlled substances that are falsely labeled so as to appear to have been legitimately manufactured or distributed.

3. Application of Subsections (b)(1) and (b)(2).—

(A) Application of Subsection (b)(1).—Definitions of "firearm" and "dangerous weapon" are found in the Commentary to §1B1.1 (Application Instructions). The enhancement for weapon possession in subsection (b)(1) reflects the increased danger of violence when drug traffickers possess weapons. The ~~adjustment~~ enhancement should be applied if the weapon was present, unless it is clearly improbable that the weapon was connected with the offense. For example, the enhancement would not be applied if the defendant, arrested at his~~the~~ defendant's residence, had an unloaded hunting rifle in the closet. The enhancement also applies to offenses that are referenced to §2D1.1; see §§2D1.2(a)(1)

and (2), 2D1.5(a)(1), 2D1.6, 2D1.7(b)(1), 2D1.8, 2D1.11(c)(1), 2D1.12(c)(1), and 2D2.1(b)(1).

(B) *Interaction of Subsections (b)(1) and (b)(2).*—The enhancements in subsections (b)(1) and (b)(2) may be applied cumulatively (added together), as is generally the case when two or more specific offense characteristics each apply. See §1B1.1 (Application Instructions), Application Note 4(A). However, in a case in which the defendant merely possessed a dangerous weapon but did not use violence, make a credible threat to use violence, or direct the use of violence, subsection (b)(2) would not apply.

4. *Distribution of "a small amount of marihuana for no remuneration", 21 U.S.C. § 841(b)(4), is treated as simple possession, to which §2D2.1 applies.*
5. *Analogues and Controlled Substances Not Referenced in this Guideline.*—Any reference to a particular controlled substance in these guidelines includes all salts, isomers, all salts of isomers, and, except as otherwise provided, any analogue of that controlled substance. Any reference to cocaine includes ecgonine and coca leaves, except extracts of coca leaves from which cocaine and ecgonine have been removed. For purposes of this guideline "analogue" has the meaning given the term "controlled substance analogue" in 21 U.S.C. § 802(32). In determining the appropriate sentence, the court also may consider whether the same quantity of analogue produces a greater effect on the central nervous system than the controlled substance for which it is an analogue.

*In the case of a controlled substance that is not specifically referenced in this guideline, determine the base offense level using the marihuana equivalency of the most closely related controlled substance referenced in this guideline. In determining the most closely related controlled substance, the court shall, to the extent practicable, consider the following:*

- (A) *Whether the controlled substance not referenced in this guideline has a chemical structure that is substantially similar to a controlled substance referenced in this guideline.*
  - (B) *Whether the controlled substance not referenced in this guideline has a stimulant, depressant, or hallucinogenic effect on the central nervous system that is substantially similar to the stimulant, depressant, or hallucinogenic effect on the central nervous system of a controlled substance referenced in this guideline.*
  - (C) *Whether a lesser or greater quantity of the controlled substance not referenced in this guideline is needed to produce a substantially similar effect on the central nervous system as a controlled substance referenced in this guideline.*
6. *Where there are multiple transactions or multiple drug types, the quantities of drugs are to be added. Tables for making the necessary conversions are provided below.*
  7. *Where a mandatory (statutory) minimum sentence applies, this mandatory minimum sentence may be "waived" and a lower sentence imposed (including a downward departure), as provided in 28 U.S.C. § 994(n), by reason of a defendant's "substantial assistance in the investigation or*

prosecution of another person who has committed an offense." See §5K1.1 (Substantial Assistance to Authorities). In addition, 18 U.S.C. § 3553(f) provides an exception to the applicability of mandatory minimum sentences in certain cases. See §5C1.2 (Limitation on Applicability of Statutory Minimum Sentences in Certain Cases).

8. Interaction with §3B1.3.—A defendant who used special skills in the commission of the offense may be subject to an adjustment under §3B1.3 (Abuse of Position of Trust or Use of Special Skill). Certain professionals often occupy essential positions in drug trafficking schemes. These professionals include doctors, pilots, boat captains, financiers, bankers, attorneys, chemists, accountants, and others whose special skill, trade, profession, or position may be used to significantly facilitate the commission of a drug offense. Additionally, an enhancement under §3B1.3 ordinarily would apply in a case in which the defendant used his or her position as a coach to influence an athlete to use an anabolic steroid.

Note, however, that if an adjustment from subsection (b)(2)(C) applies, do not apply §3B1.3 (Abuse of Position of Trust or Use of Special Skill).

9. Trafficking in controlled substances, compounds, or mixtures of unusually high purity may warrant an upward departure, except in the case of PCP, amphetamine, methamphetamine, or oxycodone for which the guideline itself provides for the consideration of purity (see the footnote to the Drug Quantity Table). The purity of the controlled substance, particularly in the case of heroin, may be relevant in the sentencing process because it is probative of the defendant's role or position in the chain of distribution. Since controlled substances are often diluted and combined with other substances as they pass down the chain of distribution, the fact that a defendant is in possession of unusually pure narcotics may indicate a prominent role in the criminal enterprise and proximity to the source of the drugs. As large quantities are normally associated with high purities, this factor is particularly relevant where smaller quantities are involved.

10. [Application Note 10 was set forth in Part A, above.]

11. If the number of doses, pills, or capsules but not the weight of the controlled substance is known, multiply the number of doses, pills, or capsules by the typical weight per dose in the table below to estimate the total weight of the controlled substance (e.g., 100 doses of Mescaline at 500 mg per dose = 50 gms of mescaline). The Typical Weight Per Unit Table, prepared from information provided by the Drug Enforcement Administration, displays the typical weight per dose, pill, or capsule for certain controlled substances. Do not use this table if any more reliable estimate of the total weight is available from case-specific information.

TYPICAL WEIGHT PER UNIT (DOSE, PILL, OR CAPSULE) TABLE

Hallucinogens

MDA	250 mg
MDMA	250 mg
Mescaline	500 mg
PCP*	5 mg

<i>Peyote (dry)</i>	12 gm
<i>Peyote (wet)</i>	120 gm
<i>Psilocin*</i>	10 mg
<i>Psilocybe mushrooms (dry)</i>	5 gm
<i>Psilocybe mushrooms (wet)</i>	50 gm
<i>Psilocybin*</i>	10 mg
<i>2,5-Dimethoxy-4-methylamphetamine (STP, DOM)*</i>	3 mg

Marihuana

<i>1 marihuana cigarette</i>	0.5 gm
------------------------------	--------

Stimulants

<i>Amphetamine*</i>	10 mg
<i>Methamphetamine*</i>	5 mg
<i>Phenmetrazine (Preludin)*</i>	75 mg

*\*For controlled substances marked with an asterisk, the weight per unit shown is the weight of the actual controlled substance, and not generally the weight of the mixture or substance containing the controlled substance. Therefore, use of this table provides a very conservative estimate of the total weight.*

12. *Types and quantities of drugs not specified in the count of conviction may be considered in determining the offense level. See §1B1.3(a)(2) (Relevant Conduct). Where there is no drug seizure or the amount seized does not reflect the scale of the offense, the court shall approximate the quantity of the controlled substance. In making this determination, the court may consider, for example, the price generally obtained for the controlled substance, financial or other records, similar transactions in controlled substances by the defendant, and the size or capability of any laboratory involved.*

*If the offense involved both a substantive drug offense and an attempt or conspiracy (e.g., sale of five grams of heroin and an attempt to sell an additional ten grams of heroin), the total quantity involved shall be aggregated to determine the scale of the offense.*

*In an offense involving an agreement to sell a controlled substance, the agreed-upon quantity of the controlled substance shall be used to determine the offense level unless the sale is completed and the amount delivered more accurately reflects the scale of the offense. For example, a defendant agrees to sell 500 grams of cocaine, the transaction is completed by the delivery of the controlled substance - actually 480 grams of cocaine, and no further delivery is scheduled. In this example, the amount delivered more accurately reflects the scale of the offense. In contrast, in a reverse sting, the agreed-upon quantity of the controlled substance would more accurately reflect the scale of the offense because the amount actually delivered is controlled by the government, not by the defendant. If, however, the defendant establishes that the defendant did not intend to provide or purchase, or was not reasonably capable of providing or purchasing, the agreed-upon quantity of the controlled substance, the court*

shall exclude from the offense level determination the amount of controlled substance that the defendant establishes that the defendant did not intend to provide or purchase or was not reasonably capable of providing or purchasing.

13. Certain pharmaceutical preparations are classified as Schedule III, IV, or V controlled substances by the Drug Enforcement Administration under 21 C.F.R. § 1308.13-15 even though they contain a small amount of a Schedule I or II controlled substance. For example, Tylenol 3 is classified as a Schedule III controlled substance even though it contains a small amount of codeine, a Schedule II opiate. For the purposes of the guidelines, the classification of the controlled substance under 21 C.F.R. § 1308.13-15 is the appropriate classification.
14. If, in a reverse sting (an operation in which a government agent sells or negotiates to sell a controlled substance to a defendant), the court finds that the government agent set a price for the controlled substance that was substantially below the market value of the controlled substance, thereby leading to the defendant's purchase of a significantly greater quantity of the controlled substance than his available resources would have allowed him to purchase except for the artificially low price set by the government agent, a downward departure may be warranted.
15. LSD on a blotter paper carrier medium typically is marked so that the number of doses ("hits") per sheet readily can be determined. When this is not the case, it is to be presumed that each 1/4 inch by 1/4 inch section of the blotter paper is equal to one dose.  
  
*In the case of liquid LSD (LSD that has not been placed onto a carrier medium), using the weight of the LSD alone to calculate the offense level may not adequately reflect the seriousness of the offense. In such a case, an upward departure may be warranted.*
16. In an extraordinary case, an upward departure above offense level 38 on the basis of drug quantity may be warranted. For example, an upward departure may be warranted where the quantity is at least ten times the minimum quantity required for level 38. Similarly, in the case of a controlled substance for which the maximum offense level is less than level 38, an upward departure may be warranted if the drug quantity substantially exceeds the quantity for the highest offense level established for that particular controlled substance.
17. For purposes of the guidelines, a "plant" is an organism having leaves and a readily observable root formation (e.g., a marijuana cutting having roots, a rootball, or root hairs is a marijuana plant).
18. If the offense involved importation of amphetamine or methamphetamine, and an adjustment from subsection (b)(23) applies, do not apply subsection (b)(45).
19. Hazardous or Toxic Substances.—Subsection (b)(4013)(A) applies if the conduct for which the defendant is accountable under §1B1.3 (Relevant Conduct) involved any discharge, emission, release, transportation, treatment, storage, or disposal violation covered by the Resource Conservation and Recovery Act, 42 U.S.C. § 6928(d); the Federal Water Pollution Control Act, 33 U.S.C. § 1319(c); the Comprehensive Environmental Response,

*Compensation, and Liability Act, 42 U.S.C. § 9603(b); or 49 U.S.C. § 5124 (relating to violations of laws and regulations enforced by the Department of Transportation with respect to the transportation of hazardous material). In some cases, the enhancement under subsection (b)(13)(A) may not account adequately for the seriousness of the environmental harm or other threat to public health or safety (including the health or safety of law enforcement and cleanup personnel). In such cases, an upward departure may be warranted. Additionally, in determining the amount of restitution under §5E1.1 (Restitution) and in fashioning appropriate conditions of probation and supervision under §§5B1.3 (Conditions of Probation) and 5D1.3 (Conditions of Supervised Release), respectively, any costs of environmental cleanup and harm to individuals or property shall be considered by the court in cases involving the manufacture of amphetamine or methamphetamine and should be considered by the court in cases involving the manufacture of a controlled substance other than amphetamine or methamphetamine. See 21 U.S.C. § 853(q) (mandatory restitution for cleanup costs relating to the manufacture of amphetamine and methamphetamine).*

20. Substantial Risk of Harm Associated with the Manufacture of Amphetamine and Methamphetamine.—

(A) Factors to Consider.—*In determining, for purposes of subsection (b)(13)(C)(ii) or (D), whether the offense created a substantial risk of harm to human life or the environment, the court shall include consideration of the following factors:*

- (i) *The quantity of any chemicals or hazardous or toxic substances found at the laboratory, and the manner in which the chemicals or substances were stored.*
- (ii) *The manner in which hazardous or toxic substances were disposed, and the likelihood of release into the environment of hazardous or toxic substances.*
- (iii) *The duration of the offense, and the extent of the manufacturing operation.*
- (iv) *The location of the laboratory (e.g., whether the laboratory is located in a residential neighborhood or a remote area), and the number of human lives placed at substantial risk of harm.*

(B) Definitions.—*For purposes of subsection (b)(13)(D):*

*"Incompetent" means an individual who is incapable of taking care of the individual's self or property because of a mental or physical illness or disability, mental retardation, or senility.*

*"Minor" has the meaning given that term in Application Note 1 of the Commentary to §2A3.1 (Criminal Sexual Abuse).*

21. Applicability of Subsection (b)(16).—*The applicability of subsection (b)(16) shall be determined without regard to whether the defendant was convicted of an offense that subjects the defendant to a mandatory minimum term of imprisonment. Section §5C1.2(b), which*

provides a minimum offense level of level 17, is not pertinent to the determination of whether subsection (b)(11) applies.

22. Imposition of Consecutive Sentence for 21 U.S.C. § 860a or § 865.—Sections 860a and 865 of title 21, United States Code, require the imposition of a mandatory consecutive term of imprisonment of not more than 20 years and 15 years, respectively. In order to comply with the relevant statute, the court should determine the appropriate "total punishment" and divide the sentence on the judgment form between the sentence attributable to the underlying drug offense and the sentence attributable to 21 U.S.C. § 860a or § 865, specifying the number of months to be served consecutively for the conviction under 21 U.S.C. § 860a or § 865. For example, if the applicable adjusted guideline range is 151-188 months and the court determines a "total punishment" of 151 months is appropriate, a sentence of 130 months for the underlying offense plus 21 months for the conduct covered by 21 U.S.C. § 860a or § 865 would achieve the "total punishment" in a manner that satisfies the statutory requirement of a consecutive sentence.
23. Application of Subsection (b)(67).—For purposes of subsection (b)(67), "mass-marketing by means of an interactive computer service" means the solicitation, by means of an interactive computer service, of a large number of persons to induce those persons to purchase a controlled substance. For example, subsection (b)(67) would apply to a defendant who operated a web site to promote the sale of Gamma-hydroxybutyric Acid (GHB) but would not apply to coconspirators who use an interactive computer service only to communicate with one another in furtherance of the offense. "Interactive computer service", for purposes of subsection (b)(67) and this note, has the meaning given that term in section 230(e)(2) of the Communications Act of 1934 (47 U.S.C. § 230(f)(2)).
24. Application of Subsection (e)(1).—
- (A) Definition.—For purposes of this guideline, "sexual offense" means a "sexual act" or "sexual contact" as those terms are defined in 18 U.S.C. § 2246(2) and (3), respectively.
- (B) Upward Departure Provision.—If the defendant committed a sexual offense against more than one individual, an upward departure would be warranted.
25. Application of Subsection (b)(78).—For purposes of subsection (b)(78), "masking agent" means a substance that, when taken before, after, or in conjunction with an anabolic steroid, prevents the detection of the anabolic steroid in an individual's body.
26. Application of Subsection (b)(89).—For purposes of subsection (b)(89), "athlete" means an individual who participates in an athletic activity conducted by (i) an intercollegiate athletic association or interscholastic athletic association; (ii) a professional athletic association; or (iii) an amateur athletic organization.
27. Application of Subsection (b)(11).—Subsection (b)(11) does not apply if the purpose of the bribery was to obstruct or impede the investigation, prosecution, or sentencing of the defendant. Such conduct is covered by §3C1.1 (Obstructing or Impeding the Administration

of Justice) and, if applicable, §2D1.1(b)(14)(D).

28. Application of Subsection (b)(12)—Subsection (b)(12) applies to a defendant who knowingly maintains a premises (i.e., a building, room, or enclosure) for the purpose of manufacturing or distributing a controlled substance, including storage of a controlled substance for the purpose of distribution.

Among the factors the court should consider in determining whether the defendant "maintained" the premises are (A) whether the defendant held a possessory interest in (e.g., owned or rented) the premises and (B) the extent to which the defendant controlled access to, or activities at, the premises.

Manufacturing or distributing a controlled substance need not be the sole purpose for which the premises was maintained, but must be one of the defendant's primary or principal uses for the premises, rather than one of the defendant's incidental or collateral uses for the premises. In making this determination, the court should consider how frequently the premises was used by the defendant for manufacturing or distributing a controlled substance and how frequently the premises was used by the defendant for lawful purposes.

29. Application of Subsection (b)(14)—

(A) Distributing to a Specified Individual or Involving Such an Individual in the Offense (Subsection (b)(14)(B)).—If the defendant distributes a controlled substance to an individual or involves an individual in the offense, as specified in subsection (b)(14)(B), the individual is not a "vulnerable victim" for purposes of §3A1.1(b).

(B) Directly Involved in the Importation of a Controlled Substance (Subsection (b)(14)(C)).—Subsection (b)(14)(C) applies if the defendant is accountable for the importation of a controlled substance under subsection (a)(1)(A) of §1B1.3 (Relevant Conduct (Factors that Determine the Guideline Range)), i.e., the defendant committed, aided, abetted, counseled, commanded, induced, procured, or willfully caused the importation of a controlled substance.

If subsection (b)(3) or (b)(5) applies, do not apply subsection (b)(14)(C).

(C) Pattern of Criminal Conduct Engaged in as a Livelihood (Subsection (b)(14)(E)).—For purposes of subsection (b)(14)(E), "pattern of criminal conduct" and "engaged in as a livelihood" have the meaning given such terms in §4B1.3 (Criminal Livelihood).

Background: Offenses under 21 U.S.C. §§ 841 and 960 receive identical punishment based upon the quantity of the controlled substance involved, the defendant's criminal history, and whether death or serious bodily injury resulted from the offense.

The base offense levels in §2D1.1 are either provided directly by the Anti-Drug Abuse Act of 1986 or are proportional to the levels established by statute, and apply to all unlawful trafficking. Levels 32 and 26 in the Drug Quantity Table are the distinctions provided by the Anti-Drug Abuse

*Act; however, further refinement of drug amounts is essential to provide a logical sentencing structure for drug offenses. To determine these finer distinctions, the Commission consulted numerous experts and practitioners, including authorities at the Drug Enforcement Administration, chemists, attorneys, probation officers, and members of the Organized Crime Drug Enforcement Task Forces, who also advocate the necessity of these distinctions. Where necessary, this scheme has been modified in response to specific congressional directives to the Commission.*

*The base offense levels at levels 26 and 32 establish guideline ranges with a lower limit as close to the statutory minimum as possible; e.g., level 32 ranges from 121 to 151 months, where the statutory minimum is ten years or 120 months.*

*For marihuana plants, the Commission has adopted an equivalency of 100 grams per plant, or the actual weight of the usable marihuana, whichever is greater. The decision to treat each plant as equal to 100 grams is premised on the fact that the average yield from a mature marihuana plant equals 100 grams of marihuana. In controlled substance offenses, an attempt is assigned the same offense level as the object of the attempt. Consequently, the Commission adopted the policy that each plant is to be treated as the equivalent of an attempt to produce 100 grams of marihuana, except where the actual weight of the usable marihuana is greater.*

*The last sentence of subsection (a)(5) implements the directive to the Commission in section 7(1) of Public Law 111-220.*

*Subsection (b)(2) implements the directive to the Commission in section 5 of Public Law 111-220.*

*Specific Offense Characteristic Subsection (b)(23) is derived from Section 6453 of the Anti-Drug Abuse Act of 1988.*

*Frequently, a term of supervised release to follow imprisonment is required by statute for offenses covered by this guideline. Guidelines for the imposition, duration, and conditions of supervised release are set forth in Chapter Five, Part D (Supervised Release).*

*Because the weights of LSD carrier media vary widely and typically far exceed the weight of the controlled substance itself, the Commission has determined that basing offense levels on the entire weight of the LSD and carrier medium would produce unwarranted disparity among offenses involving the same quantity of actual LSD (but different carrier weights), as well as sentences disproportionate to those for other, more dangerous controlled substances, such as PCP. Consequently, in cases involving LSD contained in a carrier medium, the Commission has established a weight per dose of 0.4 milligram for purposes of determining the base offense level.*

*The dosage weight of LSD selected exceeds the Drug Enforcement Administration's standard dosage unit for LSD of 0.05 milligram (i.e., the quantity of actual LSD per dose) in order to assign some weight to the carrier medium. Because LSD typically is marketed and consumed orally on a carrier medium, the inclusion of some weight attributable to the carrier medium recognizes (A) that offense levels for most other controlled substances are based upon the weight of the mixture containing the controlled substance without regard to purity, and (B) the decision in Chapman v. United States, 111 S.Ct. 1919 (1991) (holding that the term "mixture or substance" in 21 U.S.C.*

§ 841(b)(1) includes the carrier medium in which LSD is absorbed). At the same time, the weight per dose selected is less than the weight per dose that would equate the offense level for LSD on a carrier medium with that for the same number of doses of PCP, a controlled substance that comparative assessments indicate is more likely to induce violent acts and ancillary crime than is LSD. (Treating LSD on a carrier medium as weighing 0.5 milligram per dose would produce offense levels equivalent to those for PCP.) Thus, the approach decided upon by the Commission will harmonize offense levels for LSD offenses with those for other controlled substances and avoid an undue influence of varied carrier weight on the applicable offense level. Nonetheless, this approach does not override the applicability of "mixture or substance" for the purpose of applying any mandatory minimum sentence (see *Chapman*; §5G1.1(b)).

Subsection (b)(11) implements the directive to the Commission in section 6(1) of Public Law 111-220.

Subsection (b)(12) implements the directive to the Commission in section 6(2) of Public Law 111-220.

Subsection (b)(13)(A) implements the instruction to the Commission in section 303 of Public Law 103-237.

Subsections (b)(13)(C)(ii) and (D) implement, in a broader form, the instruction to the Commission in section 102 of Public Law 106-310.

Subsection (b)(14) implements the directive to the Commission in section 6(3) of Public Law 111-220.

Subsection (b)(15) implements the directive to the Commission in section 7(2) of Public Law 111-220.

- (a) If the defendant, whether or not convicted of another crime, was convicted of violating section 844(h) of title 18, United States Code, the guideline sentence is the term of imprisonment required by statute. Chapters Three (Adjustments) and Four (Criminal History and Criminal Livelihood) shall not apply to that count of conviction.
- (b) Except as provided in subsection (c), if the defendant, whether or not convicted of another crime, was convicted of violating section 924(c) or section 929(a) of title 18, United States Code, the guideline sentence is the minimum term of imprisonment required by statute. Chapters Three and Four shall not apply to that count of conviction.
- (c) If the defendant (1) was convicted of violating section 924(c) or section 929(a) of title 18, United States Code; and (2) as a result of that conviction (alone or in addition to another offense of conviction), is determined to be a career offender under §4B1.1 (Career Offender), the guideline sentence shall be determined under §4B1.1(c). *Commentary*

*Statutory Provisions: 18 U.S.C. §§ 844(h), 924(c), 929(a).*

*Application Notes:*

1. *Application of Subsection (a).—Section 844(h) of title 18, United State Code, provides a mandatory term of imprisonment of 10 years (or 20 years for the second or subsequent offense). Accordingly, the guideline sentence for a defendant convicted under 18 U.S.C.*

§ 844(h) is the term required by that statute. Section 844(h) of title 18, United State Code, also requires a term of imprisonment imposed under this section to run consecutively to any other term of imprisonment.

2. Application of Subsection (b).—

(A) In General.—Sections 924(c) and 929(a) of title 18, United States Code, provide mandatory minimum terms of imprisonment (e.g., not less than five years). Except as provided in subsection (c), in a case in which the defendant is convicted under 18 U.S.C. § 924(c) or § 929(a), the guideline sentence is the minimum term required by the relevant statute. Each of 18 U.S.C. §§ 924(c) and 929(a) also requires that a term of imprisonment imposed under that section shall run consecutively to any other term of imprisonment.

(B) Upward Departure Provision.—In a case in which the guideline sentence is determined under subsection (b), a sentence above the minimum term required by 18 U.S.C. § 924(c) or § 929(a) is an upward departure from the guideline sentence. A departure may be warranted, for example, to reflect the seriousness of the defendant's criminal history in a case in which the defendant is convicted of an 18 U.S.C. § 924(c) or § 929(a) offense but is not determined to be a career offender under §4B1.1.

3. Application of Subsection (c).—In a case in which the defendant (A) was convicted of violating 18 U.S.C. § 924(c) or 18 U.S.C. § 929(a); and (B) as a result of that conviction (alone or in addition to another offense of conviction), is determined to be a career offender under §4B1.1 (Career Offender), the guideline sentence shall be determined under §4B1.1(c). In a case involving multiple counts, the sentence shall be imposed according to the rules in subsection (e) of §5G1.2 (Sentencing on Multiple Counts of Conviction).

4. Weapon Enhancement.— If a sentence under this guideline is imposed in conjunction with a sentence for an underlying offense, do not apply any specific offense characteristic for possession, brandishing, use, or discharge of an explosive or firearm when determining the sentence for the underlying offense. A sentence under this guideline accounts for any explosive or weapon enhancement for the underlying offense of conviction, including any such enhancement that would apply based on conduct for which the defendant is accountable under §1B1.3 (Relevant Conduct). Do not apply any weapon enhancement in the guideline for the underlying offense, for example, if (A) a co-defendant, as part of the jointly undertaken criminal activity, possessed a firearm different from the one for which the defendant was convicted under 18 U.S.C. § 924(c); or (B) in an ongoing drug trafficking offense, the defendant possessed a firearm other than the one for which the defendant was convicted under 18 U.S.C. § 924(c). However, if a defendant is convicted of two armed bank robberies, but is convicted under 18 U.S.C. § 924(c) in connection with only one of the robberies, a weapon enhancement would apply to the bank robbery which was not the basis for the 18 U.S.C. § 924(c) conviction.

A sentence under this guideline also accounts for conduct that would subject the defendant to an enhancement under §2D1.1(b)(2) (pertaining to use of violence, credible threat to use

violence, or directing the use of violence). Do not apply that enhancement when determining the sentence for the underlying offense.

If the explosive or weapon that was possessed, brandished, used, or discharged in the course of the underlying offense also results in a conviction that would subject the defendant to an enhancement under §2K1.3(b)(3) (pertaining to possession of explosive material in connection with another felony offense) or §2K2.1(b)(6) (pertaining to possession of any firearm or ammunition in connection with another felony offense), do not apply that enhancement. A sentence under this guideline accounts for the conduct covered by these enhancements because of the relatedness of that conduct to the conduct that forms the basis for the conviction under 18 U.S.C. § 844(h), § 924(c) or § 929(a). For example, if in addition to a conviction for an underlying offense of armed bank robbery, the defendant was convicted of being a felon in possession under 18 U.S.C. § 922(g), the enhancement under §2K2.1(b)(6) would not apply.

In a few cases in which the defendant is determined not to be a career offender, the offense level for the underlying offense determined under the preceding paragraphs may result in a guideline range that, when combined with the mandatory consecutive sentence under 18 U.S.C. § 844(h), § 924(c), or § 929(a), produces a total maximum penalty that is less than the maximum of the guideline range that would have resulted had there not been a count of conviction under 18 U.S.C. § 844(h), § 924(c), or § 929(a) (i.e., the guideline range that would have resulted if the enhancements for possession, use, or discharge of a firearm had been applied). In such a case, an upward departure may be warranted so that the conviction under 18 U.S.C. § 844(h), § 924(c), or § 929(a) does not result in a decrease in the total punishment. An upward departure under this paragraph shall not exceed the maximum of the guideline range that would have resulted had there not been a count of conviction under 18 U.S.C. § 844(h), § 924(c), or § 929(a).

5. Chapters Three and Four.—Except for those cases covered by subsection (c), do not apply Chapter Three (Adjustments) and Chapter Four (Criminal History and Criminal Livelihood) to any offense sentenced under this guideline. Such offenses are excluded from application of those chapters because the guideline sentence for each offense is determined only by the relevant statute. See §§3D1.1 (Procedure for Determining Offense Level on Multiple Counts) and 5G1.2. In determining the guideline sentence for those cases covered by subsection (c): (A) the adjustment in §3E1.1 (Acceptance of Responsibility) may apply, as provided in §4B1.1(c); and (B) no other adjustments in Chapter Three and no provisions of Chapter Four, other than §§4B1.1 and 4B1.2, shall apply.
6. Terms of Supervised Release.— Imposition of a term of supervised release is governed by the provisions of §5D1.1 (Imposition of a Term of Supervised Release).
7. Fines.— Subsection (d) sets forth special provisions concerning the imposition of fines. Where there is also a conviction for the underlying offense, a consolidated fine guideline is determined by the offense level that would have applied to the underlying offense absent a conviction under 18 U.S.C. § 844(h), § 924(c), or § 929(a). This is required because the offense level for the underlying offense may be reduced when there is also a conviction under

18 U.S.C. § 844(h), § 924(c), or § 929(a) in that any specific offense characteristic for possession, brandishing, use, or discharge of a firearm is not applied (see Application Note 4). The Commission has not established a fine guideline range for the unusual case in which there is no conviction for the underlying offense, although a fine is authorized under 18 U.S.C. § 3571.

Background: Section 844(h) of title 18, United States Code, provides a mandatory term of imprisonment. Sections 924(c) and 929(a) of title 18, United States Code, provide mandatory minimum terms of imprisonment. A sentence imposed pursuant to any of these statutes must be imposed to run consecutively to any other term of imprisonment. To avoid double counting, when a sentence under this section is imposed in conjunction with a sentence for an underlying offense, any specific offense characteristic for explosive or firearm discharge, use, brandishing, or possession is not applied in respect to such underlying offense.

**§3B1.4. Using a Minor To Commit a Crime**

If the defendant used or attempted to use a person less than eighteen years of age to commit the offense or assist in avoiding detection of, or apprehension for, the offense, increase by 2 levels.

Commentary

Application Notes:

1. "Used or attempted to use" includes directing, commanding, encouraging, intimidating, counseling, training, procuring, recruiting, or soliciting.
2. Do not apply this adjustment if the Chapter Two offense guideline incorporates this factor. For example, if the defendant receives an enhancement under §2D1.1(b)(14)(B) for involving an individual less than 18 years of age in the offense, do not apply this adjustment.
3. If the defendant used or attempted to use more than one person less than eighteen years of age, an upward departure may be warranted.

**§3C1.1. Obstructing or Impeding the Administration of Justice**

If (A) the defendant willfully obstructed or impeded, or attempted to obstruct or impede, the administration of justice with respect to the investigation, prosecution, or sentencing of the instant offense of conviction, and (B) the obstructive conduct related to (i) the defendant's offense of conviction and any relevant conduct; or (ii) a closely related offense, increase the offense level by 2 levels.

## Commentary

### Application Notes:

1. In General.—This adjustment applies if the defendant's obstructive conduct (A) occurred with respect to the investigation, prosecution, or sentencing of the defendant's instant offense of conviction, and (B) related to (i) the defendant's offense of conviction and any relevant conduct; or (ii) an otherwise closely related case, such as that of a co-defendant.

Obstructive conduct that occurred prior to the start of the investigation of the instant offense of conviction may be covered by this guideline if the conduct was purposefully calculated, and likely, to thwart the investigation or prosecution of the offense of conviction.

2. Limitations on Applicability of Adjustment.—This provision is not intended to punish a defendant for the exercise of a constitutional right. A defendant's denial of guilt (other than a denial of guilt under oath that constitutes perjury), refusal to admit guilt or provide information to a probation officer, or refusal to enter a plea of guilty is not a basis for application of this provision. In applying this provision in respect to alleged false testimony or statements by the defendant, the court should be cognizant that inaccurate testimony or statements sometimes may result from confusion, mistake, or faulty memory and, thus, not all inaccurate testimony or statements necessarily reflect a willful attempt to obstruct justice.

3. Covered Conduct Generally.—Obstructive conduct can vary widely in nature, degree of planning, and seriousness. Application Note 4 sets forth examples of the types of conduct to which this adjustment is intended to apply. Application Note 5 sets forth examples of less serious forms of conduct to which this enhancement is not intended to apply, but that ordinarily can appropriately be sanctioned by the determination of the particular sentence within the otherwise applicable guideline range. Although the conduct to which this adjustment applies is not subject to precise definition, comparison of the examples set forth in Application Notes 4 and 5 should assist the court in determining whether application of this adjustment is warranted in a particular case.

4. Examples of Covered Conduct.—The following is a non-exhaustive list of examples of the types of conduct to which this adjustment applies:

- (A) threatening, intimidating, or otherwise unlawfully influencing a co-defendant, witness, or juror, directly or indirectly, or attempting to do so;
- (B) committing, suborning, or attempting to suborn perjury, including during the course of a civil proceeding if such perjury pertains to conduct that forms the basis of the offense of conviction;
- (C) producing or attempting to produce a false, altered, or counterfeit document or record during an official investigation or judicial proceeding;
- (D) destroying or concealing or directing or procuring another person to destroy or conceal evidence that is material to an official investigation or judicial proceeding

*(e.g., shredding a document or destroying ledgers upon learning that an official investigation has commenced or is about to commence), or attempting to do so; however, if such conduct occurred contemporaneously with arrest (e.g., attempting to swallow or throw away a controlled substance), it shall not, standing alone, be sufficient to warrant an adjustment for obstruction unless it resulted in a material hindrance to the official investigation or prosecution of the instant offense or the sentencing of the offender;*

- (E) escaping or attempting to escape from custody before trial or sentencing; or willfully failing to appear, as ordered, for a judicial proceeding;*
- (F) providing materially false information to a judge or magistrate judge;*
- (G) providing a materially false statement to a law enforcement officer that significantly obstructed or impeded the official investigation or prosecution of the instant offense;*
- (H) providing materially false information to a probation officer in respect to a presentence or other investigation for the court;*
- (I) other conduct prohibited by obstruction of justice provisions under Title 18, United States Code (e.g., 18 U.S.C. §§ 1510, 1511);*
- (J) failing to comply with a restraining order or injunction issued pursuant to 21 U.S.C. § 853(e) or with an order to repatriate property issued pursuant to 21 U.S.C. § 853(p);*
- (K) threatening the victim of the offense in an attempt to prevent the victim from reporting the conduct constituting the offense of conviction.*

*This adjustment also applies to any other obstructive conduct in respect to the official investigation, prosecution, or sentencing of the instant offense where there is a separate count of conviction for such conduct.*

5. *Examples of Conduct Ordinarily Not Covered.*—*Some types of conduct ordinarily do not warrant application of this adjustment but may warrant a greater sentence within the otherwise applicable guideline range or affect the determination of whether other guideline adjustments apply (e.g., §3E1.1 (Acceptance of Responsibility)). However, if the defendant is convicted of a separate count for such conduct, this adjustment will apply and increase the offense level for the underlying offense (i.e., the offense with respect to which the obstructive conduct occurred). See Application Note 8, below.*

*The following is a non-exhaustive list of examples of the types of conduct to which this application note applies:*

- (A) providing a false name or identification document at arrest, except where such conduct actually resulted in a significant hindrance to the investigation or prosecution of the instant offense;*

- (B) *making false statements, not under oath, to law enforcement officers, unless Application Note 4(G) above applies;*
  - (C) *providing incomplete or misleading information, not amounting to a material falsehood, in respect to a presentence investigation;*
  - (D) *avoiding or fleeing from arrest (see, however, §3C1.2 (Reckless Endangerment During Flight));*
  - (E) *lying to a probation or pretrial services officer about defendant's drug use while on pre-trial release, although such conduct may be a factor in determining whether to reduce the defendant's sentence under §3E1.1 (Acceptance of Responsibility).*
6. "Material" Evidence Defined.—*"Material" evidence, fact, statement, or information, as used in this section, means evidence, fact, statement, or information that, if believed, would tend to influence or affect the issue under determination.*
7. Inapplicability of Adjustment in Certain Circumstances.—*If the defendant is convicted of an offense covered by §2J1.1 (Contempt), §2J1.2 (Obstruction of Justice), §2J1.3 (Perjury or Subornation of Perjury; Bribery of Witness), §2J1.5 (Failure to Appear by Material Witness), §2J1.6 (Failure to Appear by Defendant), §2J1.9 (Payment to Witness), §2X3.1 (Accessory After the Fact), or §2X4.1 (Misprision of Felony), this adjustment is not to be applied to the offense level for that offense except if a significant further obstruction occurred during the investigation, prosecution, or sentencing of the obstruction offense itself (e.g., if the defendant threatened a witness during the course of the prosecution for the obstruction offense).*
- Similarly, if the defendant receives an enhancement under §2D1.1(b)(14)(D), do not apply this adjustment.*
8. Grouping Under §3D1.2(c).—*If the defendant is convicted both of an obstruction offense (e.g., 18 U.S.C. § 3146 (Penalty for failure to appear); 18 U.S.C. § 1621 (Perjury generally)) and an underlying offense (the offense with respect to which the obstructive conduct occurred), the count for the obstruction offense will be grouped with the count for the underlying offense under subsection (c) of §3D1.2 (Groups of Closely Related Counts). The offense level for that group of closely related counts will be the offense level for the underlying offense increased by the 2-level adjustment specified by this section, or the offense level for the obstruction offense, whichever is greater.*
9. Accountability for §1B1.3(a)(1)(A) Conduct.—*Under this section, the defendant is accountable for the defendant's own conduct and for conduct that the defendant aided or abetted, counseled, commanded, induced, procured, or willfully caused.*

(C) Simple Possession of Crack Cocaine

§2D2.1. Unlawful Possession: Attempt or Conspiracy

(a) Base Offense Level:

- (1) 8, if the substance is heroin or any Schedule I or II opiate, an analogue of these, or cocaine base; or
- (2) 6, if the substance is cocaine, flunitrazepam, LSD, or PCP; or
- (3) 4, if the substance is any other controlled substance or a list I chemical.

(b) Cross References

- (1) ~~If the defendant is convicted of possession of more than 5 grams of a mixture or substance containing cocaine base, apply §2D1.1 (Unlawful Manufacturing, Importing, Exporting, or Trafficking) as if the defendant had been convicted of possession of that mixture or substance with intent to distribute.~~
- (2) If the offense involved possession of a controlled substance in a prison, correctional facility, or detention facility, apply §2P1.2 (Providing or Possessing Contraband in Prison).

Commentary

Statutory Provision: 21 U.S.C. § 844(a). For additional statutory provision(s), see Appendix A (Statutory Index).

Application Note:

1. The typical case addressed by this guideline involves possession of a controlled substance by the defendant for the defendant's own consumption. Where the circumstances establish intended consumption by a person other than the defendant, an upward departure may be warranted.

Background: Mandatory (statutory) minimum penalties for several categories of cases, ranging from fifteen days' to five years' imprisonment, are set forth in 21 U.S.C. § 844(a). When a mandatory minimum penalty exceeds the guideline range, the mandatory minimum becomes the guideline sentence. See §5G1.1(b). Note, however, that 18 U.S.C. § 3553(f) provides an exception to the applicability of mandatory minimum sentences in certain cases. See §5C1.2 (Limitation on Applicability of Statutory Minimum Sentences in Certain Cases).

Section 2D2.1(b)(1) provides a cross reference to §2D1.1 for possession of more than five grams of a mixture or substance containing cocaine base, an offense subject to an enhanced penalty

*under 21 U.S.C. § 844(a). Other cases for which enhanced penalties are provided under 21 U.S.C. § 844(a) (e.g., for a person with one prior conviction, possession of more than three grams of a mixture or substance containing cocaine base; for a person with two or more prior convictions, possession of more than one gram of a mixture or substance containing cocaine base) are to be sentenced in accordance with §5G1.1(b).*
