Re: *United States v. ??????*  
*??-??-????*

Dear ????:

I am writing to request the following items in addition to the discovery that has already been provided to date in this case:

1. a copy of the extracted Internet history report;
2. a copy of the forensic log report;
3. a directory structure list of each of the hard drives and the floppy discs, indicating name, location and time stamps;
4. a recent file/history report; and
5. newsgroup/e-mail information.

This information will be helpful in evaluating the government's proof in this case, as well as negotiating a possible pretrial resolution.

Thank you in advance for your attention to this request. If you have any questions, please do not hesitate to call.

Very truly yours,

Marianne Mariano  
Assistant Federal Defender
