Position Title/ Number: **Assistant Federal Public Defender – CHU #2018-018**

Position Location: Tampa, Florida

Grade / Salary Range: This position is subject to the availability of Federal funds.
Salary Dependent upon Budget Approval and Experience

The Office of the Federal Defender for the Middle District of Florida has been approved to open a Capital Habeas Unit (“CHU”) in the Tampa office effective October 1, 2018. We are planning ahead, hoping to hire some of the lawyers who will staff the CHU in advance. The Office is now accepting applications for the position of Assistant Federal Defender for its CHU; lawyers hired for the CHU in the meanwhile will be able to work on traditional trial cases until the CHU opens. This position is for an experienced capital habeas lawyer for this new unit. Prior experience in Florida or any jurisdiction's federal capital habeas representation is **highly** preferred. The dedicated team of attorneys, investigators, paralegals, and legal assistants in the CHU advocate for indigent prisoners sentenced to death in Florida or by a federal court. Our CHU unit staff have extensive and diverse experience in life, law and the field of capital habeas litigation. Skilled collaboration, strategic litigation, compassionate representation, and unique approaches to the issues affecting our clients are among the values we aim to foster in our CHU. Familiarity with Florida state capital prosecutions is highly desirable.

Duties: CHU attorneys represent death-sentenced prisoners in their federal habeas corpus proceedings. CHU attorneys carry a full caseload, representing clients in all stages of their federal court litigation—from investigation, to briefing at all levels of the court system, through oral advocacy, and in clemency proceedings. Regular responsibilities include: working with clients; digesting large case files and investigative materials; developing litigation strategies; drafting pleadings; conducting evidentiary hearings; presenting oral arguments; working with experts and other witnesses; and supervising teams of investigators, mitigation specialists, paralegals, and legal assistants. This position may require work on holidays, evenings, and weekends, as the nature of the cases require. Frequent travel within the United States also may be required.

Requirements: While it is preferable for applicants to be members of the Florida Bar, applicants must be a member in good standing of some state bar in the U.S. Preference will be given to applicants with at least five years of experience in state and/or federal criminal law, complex civil litigation, death penalty litigation, or habeas corpus litigation, or applicants with federal judicial clerkship experience. Excellent writing skills are imperative. Experience in mental health forensics is very beneficial. Other exceptional experience or qualifications that would serve our clients may be considered in lieu of the litigation experience described above. Applicants must have an established capacity or clearly demonstrated aptitude for excellence in capital defense, strong written and oral advocacy skills, work well in teams, and be effective organizers.

Deadline to submit an application is **FRIDAY, JUNE 1, 2018.**
