

### **Mitigation Specialist (Contract)**

Atlantic International Associates was established in 2018 and is based in Houston, Texas. Our mission is supporting capital defense teams in developing mitigating evidence on behalf of indigent defendants facing the death penalty and juveniles facing life sentences. We work on pre-trial and post-conviction cases in state and federal courts in Texas and elsewhere.

Because of our increased capital defense caseload, we are presently seeking an associate who is interested in periodic contract work in the Greater Houston area. The ideal candidate is an attorney, an LCSW/MSW or an experienced mitigation specialist. The work we offer is steady. Volume is tailored to your availability. Most of our needs are in the field, however if you do not live in Texas, you could still assist us by working remotely on tasks like records collection, digesting and preparation of social histories.

This is not a salaried position. You would work as an independent contractor. Compensation is negotiable and competitive.

If you are interested in this opportunity, please provide your CV, a writing sample, and a brief statement as why you are a good fit by replying to [texaslegalinvestigations@gmail.com](mailto:texaslegalinvestigations@gmail.com). If you require additional information, please feel free to call Jeff Wax at (207) 838-7260.
