

Live Streaming Oral Arguments

Monday, October 24, 2022

The Court is pleased to announce oral arguments held in open court in all court locations will be live streamed – audio only – beginning October 25, 2022. The live stream may be accessed through the Court’s website (www.ca11.uscourts.gov). Audio recordings of oral arguments held in open court will continue to be posted on the Court’s website. Oral arguments in national security cases and other cases not heard publicly will not be live streamed and recordings of those arguments will not be posted on the Court’s website.
