

Listen Only Call In for Oral Arguments

In light of the worldwide Covid-19 pandemic, the 5th Circuit Court of Appeals will hold video conferencing oral arguments for three of the five scheduled May court sessions. The Clerk's office has set up a call in (listen only) phone line for the public to hear the sessions in real time. Please access the court calendars on the court's website (<http://www.ca5.uscourts.gov/clerk/calendar/int-cal.htm>) for a list of the cases that will be heard during the week of May 4, 2020.

Simply dial 5713532300 from any telephone or cell phone (audio quality will be better on a land line). Once you dial the phone number, you will be asked to enter the *call id* to connect to the meeting.

Once you are connected to the meeting, you will be able to only listen to the session in progress. As a precaution, please mute your device.

Please note that there will be a period of silence between each case as the court resets for the next Oral Argument. The live audio feed will resume once the next case is ready to be heard.

If you are disconnected from the session at any time, you will be able to reconnect using the steps outlined above without disrupting the session in progress.
