**NOTICE OF THE TERMINATION OF AUTHORIZATION  
FOR THE USE OF VIDEOCONFERENCE/TELECONFERENCE TECHNOLOGY  
FOR CERTAIN CRIMINAL DOCKET PROCEEDINGS PURSUANT TO THE  
CARES ACT, P.L. 116-136**

**May 1, 2023**

Consistent with the guidance provided to the Court by the Administrative Office of the United States Courts, as a consequence of the termination by legislation of the relevant Declaration of National Emergency of the President of the United States as to the COVID-19 pandemic (and extensions thereof), NOTICE is hereby given that the authorization for the use of videoconference/teleconference technology for the conduct of enumerated criminal docket proceedings pursuant to the CARES Act, P.L. 116-136, and as set out in the undersigned's Findings and Orders of February 1, 2023 and March 23, 2023, will terminate by operation of law.

The last day for the conduct of enumerated criminal docket proceedings via videoconference/teleconference technology pursuant to the CARES Act and pursuant to such Findings and Orders is May 10, 2023, inclusive.

This Notice does not affect the authority of judicial officers to conduct civil docket proceedings via videoconference or teleconference technology, nor to conduct criminal docket

proceedings via videoconference or teleconference technology pursuant to any legal authority other than the CARES Act.
