More Automatic Sharing

Save Folder and Shared Folders

Please choose a folder where you would like your files to be downloaded. You can also choose folders you would like to share with other users running LimeWire.

Learn more about this option...

Save Folder

C:\Documents and Settings\dsullivan\My Documents\LimeWire\Saved

Shared Folders

- C:\Documents and Settings\dsullivan\My Documents\LimeWire\Shared

Legend

- Folder is fully shared including all subfolders.
- Folder is not shared and no subfolders are shared.
- Folder's files and some subfolders are shared.

Language: English
Even More Automatic Sharing

**Clear Uploads**
You can choose whether or not to automatically clear uploads that have completed.

**Upload Bandwidth**
You can set the percentage of your bandwidth devoted to uploads. To turn off uploads, reduce your upload slots to zero.

**Partial Files**
You can choose whether or not to automatically share partially downloaded files.
