*We are looking for an Assistant Federal Public Defender for our Trial Unit in Charlotte, North Carolina. Prior criminal defense experience is required, with prior federal experience preferred.*

**Job Description:** The scope of our work includes all stages of federal criminal proceedings. The Assistant Federal Public Defender will represent clients charged with federal criminal offenses and clients involved in other matters covered under the Criminal Justice Act. The position requires travel for investigation, litigation, and training, and may involve foreign travel. The attorney will have a full caseload as a member of an interdisciplinary trial team. Core duties include building relationships with clients; analyzing large case files to identify legal claims; directing and participating in investigation; working with experts; developing litigation strategies; motions practice and pleadings; conducting evidentiary hearings; jury trials; and robust sentencing advocacy and mitigation development. The position will require frequent travel and some work outside of business hours, including weekends and holidays.

**Requirements:** An applicant must be a graduate of an accredited law school, a member in good standing of the highest court in the state where licensed and committed to the representation of the indigent accused. An attorney applying for this position should have sufficient experience to independently undertake the defense of serious criminal cases before the U.S. District Court. Prior criminal defense experience, preferably federal, is required. Our ideal candidate will have sufficient experience to handle felony trials upon hiring.

The physical demands of this position are those required to successfully perform the duties described above. Reasonable accommodations will be made to enable individuals with disabilities to perform these essential functions.

**Salary and Benefits:** Starting salary will be commensurate with the experience and qualifications of the applicant. The current starting salary range for this position is \$78,459 to \$184,093 per annum. **Conditions of Employment:** The employee will be located in the Charlotte office full-time, less a reasonable telework schedule. All application information is subject to verification. Applicants must be United States citizens, or persons authorized to work in the United States. Appointment to the position is provisional pending the successful completion of a background check.
