*The Federal Public Defender for the Western District of North Carolina seeks a Paralegal to the Capital Habeas Unit for the Fourth Circuit ("the CHU") in Charlotte, North Carolina.*

**About Us:** Our regional CHU represents indigent people sentenced to death in the state and federal courts within the Fourth Circuit's appellate jurisdiction. We have an experienced team of investigators, paralegals, and attorneys who are committed to innovative and passionate advocacy.

Our office is based in [Charlotte](#), a compact and thriving city in the Carolina Piedmont. Charlotte offers expansive parks and greenways, premier theatre and concert venues, outstanding restaurants, professional sports, and an innovative public school system. It's also within easy reach of the Carolina coast and the Blue Ridge and Smoky Mountains.

We recognize that we cannot serve the distinct needs of our clients without assembling a diverse team of dedicated professionals who work and advocate collaboratively on their behalf. We welcome applicants of any race, color, religion, ethnicity, national origin, sexual orientation, gender, gender identity or expression, disability, age, and status. We are committed to ensuring an inclusive and equitable workplace. Click [here](#) for more information about our office. We have attached our office's Mission, Vision, and Values statements to this announcement.

**Job Description:** The scope of our work includes all stages of federal habeas corpus proceedings, stay litigation, method-of-execution challenges, and executive clemency. We have an active caseload in North Carolina, South Carolina, Arkansas, Mississippi, Tennessee, and the United States Military. We regularly litigate in federal district courts, the Fourth Circuit Court of Appeals, and the Supreme Court of the United States. The Paralegal will play an integral role in litigation teams that represent death-sentenced prisoners. A paralegal's duties include: performing general case preparation as directed by the CHU staff, including assisting in the creation, maintenance, organization, and indexing of case files; participating in case management functions such as calendaring, conflict checks, and docket control; assisting in the preparation and submission of pleadings and correspondence; assisting in the development of evidence, including the locating, collecting, organizing, summarizing and analyzing of records from a variety of different sources relating to the offense and the client's life history and supporting investigations; and assisting in the maintenance of "banks" of substantive pleadings and reference materials by subject matter. The position may require frequent travel and work outside of business hours, including weekends and holidays.

**Requirements:** Applicants should have at least five years of paralegal or comparable experience. No prior criminal, capital or habeas experience is necessary, but is preferred. As this office is paper-light, experience with maintaining electronic case files, scanning, and document management and conversion software is desirable. Experience with computer-assisted research and litigation support as well as case management software such as Box, Adobe, Eclipse and CaseMap (or an equivalent) is favored. Willingness to learn and work with new or updated case and document management software is imperative. The successful applicant will have strong research and organizational skills, the ability to work independently and on a team, a facility with multi-tasking, and a commitment to the capital representation of indigent clients.

**Salary and Benefits:** Salary is commensurate with experience and qualifications. The salary band for this position is currently \$76,343 (JSP 11, Step 1) to \$167,160 (JSP 14, Step 10). This is an excepted service position with federal employee benefits, including health and life insurance and the Federal Employees Retirement System (FERS) pension, Social Security, and Thrift Savings Plan. We observe Federal holidays and provide generous annual and personal leave. Salary is payable only by Electronic Funds Transfer (direct deposit).

**Conditions of Employment:** The employee will be located in the Charlotte office full-time, less a reasonable telework schedule. Applicants must be United States citizens, or persons authorized to work in the United States. Appointment to the position is provisional pending the successful completion of a background check. *A prior criminal conviction is not necessarily disqualifying.* Employees are members of the judicial branch and considered “at will” employees. Travel by a personal vehicle may be required.
